02. Never go between a number of dancers through - always go around it or wait ...
03. Never stand on the dance floor to entertain you - when the music plays! Go to the edge or set up for a chat.
04. Never begin a different dance than others when not enough space!'s Go to the edge of the dance floor or on a different place.
05. Do you ever wide - is when the dance floor full, make small steps and pay attention to danger of collision.
06. Never stops in the middle of the dance, to show to others - you could get in the way. Leaving the show the dance floor.
07. Get to before: that your feet, knees, arms or elbows become dangerous weapons.
08. Never give in! Crazy variations, turbo spins, high kicks to get people off the dance floor - namely you!  
If you want to vary in the formation of the dance, considered as a fundamental rule:  
Allowed is every thing turns, jumps, etc., what goes along with the basic movement of the block.  
So if the other for 5 steps to the window make out, run or dance not just in your  
Toward the door ... Other wise, there's a crowd.
09. Never go with spurs on the dance floor.
10. If you are not sure since if you really dance can, then please dances on the edge of the dance floor!
11. If you missed the bridges or reboot then please continue to dance as soon as possible!  
Without stopping for long, because other wise disabled her dance the whole block when.
